The fall sport season has recently come to an end for Rancho Buena Vista. It was an excellent season with the Longhorns claiming one league championship, one CIF runner-up, and 2 team state places. These are some of our highlights:

Girl's golf took 5th in the San Diego section and Natalie Vivaldi qualified to the So Cal regional tournament.

Girls Tennis posted a 16-5 record good for a 2nd place in the Avo West league. The team advanced to the quarter final round in CIF.

Boys Water Polo took second in the Avo West League and qualified for the CIF playoffs.

Field Hockey claimed a league championship in the Palomar League. They advanced to the semi final round in CIF playoffs losing in overtime to the eventual champions.

Boys and Girls Cross Country finished 3rd in CIF and qualified for the state meet. Both teams had a tremendous performance at state with the girls in 10th and the boys 14th.

The volleyball team was second in the Avo West league and won 3 CIF playoff games advancing to the Div. I finals. Coach Leanne DeBora was selected as the coach of the year in the North County.

Winter sports have just begun and we look forward to another successful run by the Longhorns.
