

The Longhorn Foundation needs YOUR help

For many years the Longhorn Foundation's focus was to complete the stadium. Through the dedication of many folks that dream was completed a few years ago. More recently, we are devoting funds to complete the visitor's snack bar so that additional fund raising events can occur.

The Foundation is now looking to expand its scope to help the entire campus. While new facilities like a new swimming pool or gym are very important, we also feel we can help the clubs, boosters and sports teams across the campus. We are changing our focus to help all groups with fundraising. We want to grow the number of volunteers so that the overall funds raised will grow by working together rather than separately in smaller groups.

We are looking for parents to join the Foundation. We are all volunteers and there is no cost to join. **We meet on the second Tuesday of every month at 7:00 pm in the career center.** We have numerous opportunities including selling Buick Open tickets, selling commemorative tiles for our new Donor wall located in the Stadium, and our Annual golf Tournament which is on March 10, 2008 at the Shadowridge Country Club.
