

## **Rancho Buena Vista High School Mission, Vision & Values Statements**

### **RBVHS Mission Statement**

Rancho Buena Vista High School's mission is to be a collaborative learning community dedicated to encourage and empower all members to develop our academic abilities and personal integrity as we discover and pursue our individual passions and purpose.

### **RBV Vision Statement**

As a collaborative learning community, Rancho Buena Vista High School envisions:

- An integrated system of counseling, curricular choices, technology and community involvement that encourages students to identify their passions and purpose.
- A challenging curriculum that cultivates effective communication, creativity, and critical thinking for all students.
- Skilled delivery of research based instruction that engages students in active learning.
- Embedded structures to support students who struggle academically, socially and emotionally.
- Internationally minded students who seek knowledge and skills to solve real world problems.
- Physical and technological infrastructure that enhances curricular innovation and academic exploration, connecting the campus to the broader community.
- A caring community that safeguards human dignity in daily interactions and personal conduct.
- Relationships that promote interdependence and proactive behavior.

### **RBV Values Statement**

"Values are the attitudes and behaviors an organization embraces. They represent commitments we make regarding how we will behave on a daily basis in order to become the school we want to be. They are established and articulated guidelines we live by." - Alan Blankstein

The RBV community--staff, students, and parents--uphold the following values:

- We are committed to working together.
- We accept shared responsibility to ensure success for all students.
- We accept personal responsibility for our intellectual and emotional growth.
- We respect one another and our environment.
- We communicate openly.
- We encourage innovation, creativity and change for ongoing school-wide improvement.
- We continuously evaluate and improve student support systems.
- We support exploration of local, national, and international challenges
